## HE WAS ALMOST FORCED TO QUIT

Toledo Man Was Barely Able to Work, But Is In Splendid Health Since Taking Tanlac

Statement after statement is now being made about Tanlac, the medicine that is being discussed and distributed throughout the United States and Canada and which is accomplishing so much good among all classes.

J. C. Richards, who has followed his trade as plasterer and latherer in Toledo for thirty-five years and lives at 4 Hyde Place, in relating his experience with Tanlac a few days ago said:

"I did not believe half they were saying about Tanlac until my wife persuaded me to try it, and now I don't doubt anything good I read or hear about it. Why, this medicine has relieved me of a case of what I call 'travelling rheumatism,' that had gotten me to where I was hardly able to work. At times it was agony for me to use my arms, then the pain would get into my legs, making it difficult for me to walk. Besides the rheumatism my kidneys were in bad shape, and there was the worst sort of pain in the small of my back nearly all the time. For the past year especially I was always so stiff and aching in the mornings that it was an effort for me to get out of bed, and in the evenings after my work I would just come dragging in home all played out and feeling miserable. At night I would just fall over into the bed with my back hurting me so bad that it was impossible for me to stoop over and unlace my shoes. My nerves got so bad that I seldom had a good night's sleep and I lost weight until I wasn't much more than a frame. My face was sunken in and my color was swarthy and unhealthy looking."

"In fact, I was just about ready to give up and could not have held out much longer in such a condition. I had heard lots of talk about what Tanlac was doing, so my wife had me get a bottle of Tanlac, and I noticed some improvement from the first, and now I am a well man. I am now sixty-five years of age, but I can get around with about as much ease as if nothing had ever been the matter with me. The rheumatism is gone I believe for good, as I never feel it any more; my appetite is better than it has been in years and I can tell from the way my face has filled out that I have gained considerably in weight. In fact, my improvement has been so great that my friends are often remarking about how much better I look."

Tanlac is sold in Paris at the People's Pharmacy. (adv)

### CATARRHAL DEAFNESS CANNOT BE CURED

By local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure catarrhal deafness, and that is by a constitutional remedy. Catarrhal Deafness is caused by an inflamed condition of the mucous lining of Eustachian Tube. When this tube is inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed, deafness is the result. Unless the inflammation can be reduced and this tube restored to its normal condition, hearing will be destroyed forever. Many cases of deafness are caused by catarrh, which is an inflamed condition of the mucous surfaces. Hall's Catarrh Medicine acts thru the blood on the mucous surfaces of the system.

We will give One Hundred Dollars for any case of Catarrhal Medicine. Circulars free. All Druggists, 75c.

## SIX MONTHS I COULD NOT WORK

Lydia E. Pinkham's Vegetable Compound Made Me Strong and Able to Work—I Recommend It To All My Friends.

Bayonne, N. J.—"I had pains in back and legs so that I could not stand caused by female trouble. I felt so tired all the time, had had headaches, and for six months I could not work. I was treated by a physician and took other remedies but got no relief. A friend told me about Lydia E. Pinkham's Vegetable Compound and it has helped me very much. I am well and strong and now able to do my work. I cannot thank you enough and I recommend your medicine to my friends who are sick."—Mrs. Susan SAVANASKY, 25 East 17th St., Bayonne, N. J.

It must be admitted by every fair-minded, intelligent person, that a medicine could not live and grow in popularity for over forty years, and today hold a record for such wonderful success as does Lydia E. Pinkham's Vegetable Compound, without possessing great virtue and actual worth. Such medicines must be looked upon and termed both standard and dependable by every thinking person.
